

## Notice of Move In – Important Information

Dear Resident:

Your move in day is approaching and we need to be sure that you are aware of everything that will be happening on that day!

Move-in day can be hectic so we want to try and take away as much stress as possible. We offer Fast Pass move-in options for your convenience. In order to qualify for this option, **you must have a completed file and must make sure that your initial monthly installment/other charges are paid at least 2 weeks prior to move-in.** Should you not qualify for a fast pass, you will likely have to wait in line to complete the check-in process to receive keys.

- For details about the move-in schedule, please refer to the [Move-In Procedures](#).
- Completed files include the following as applicable:
  - Proof of utilities (power/water) being placed into resident name, if applicable. Please refer to the [Utility Info Document](#) for specifics steps you will need to take.
  - We also require that all residents have liability insurance coverage. Please review [Insurance Coverage Information](#) for detail on how you can satisfy this requirement.
  - Monthly installments may be paid online through our Resident portal with an echeck, eMoney Order, or a debit/credit card (fees apply). Please view info about our [Mobile App](#). You may also pay via check in the office or via mail.
  - Animal Registration – all residents must complete the pet profile even if you do not have a pet. Please review the [Pet Screening Flyer](#).
  - **IN ORDER TO RECEIVE YOUR KEYS ON MOVE-IN DAY, YOU MUST PROVIDE PROOF THAT YOU'VE SUCCESSFULLY SIGNED UP FOR UTILITY BILLING, HAVE ALL LEASE PAPERWORK COMPLETED AND APPROVED, AND ALL UP-FRONT FEES & FIRST MONTH'S MONTHLY INSTALLMENT MUST BE PAID IN FULL. WE RECOMMEND COMPLETING ALL OF THIS PRIOR TO YOUR MOVE-IN DAY.**
- When you move in, we will issue you key(s), passes, and any codes required to access the amenities, your home, and bedroom. You will also be provided with a move-in inspection report (either electronically or on paper). You will have **48** business hours to return the inspection report to our office. Any damages listed on the inspection **will not** be charged to your account at the end of your contract term (per management's acceptance).
- Prior to your move-in, we recommend that you reach out to your future roommates to coordinate who will be bringing what to your new home. Here is a list of what is provided and [What You Need](#) to bring with you. Whether you are moving in with friends or making new ones through our Roommate Matching program, living with someone can be an adjustment. We encourage you to review these [Tips for Getting Along With Your Roommate](#) ahead of time and as a group.

- Lastly, to keep you connected with your campus, we have collected [University Resources](#) that students are known to utilize during the academic year.

**We can't wait to see you on Move-In Day! If you have any questions, please let us know.**

Sincerely,

Sol at West Village Management Team

## 10 TIPS FOR GETTING ALONG WITH YOUR ROOMMATES

### 1. Get to know each other.

You're going to be spending a lot of time with your roommate(s) and he or she is your first opportunity to make a new friend at Sol at West Village. Take the time to ask and answer questions -- about family, hobbies, academic interests, etc. Who is this person? Some questions you can ask:

- My birthday is...
- The kinds of food I like to eat are...
- The things I do for fun are...
- What I like to do for exercise is...
- Some things I spend my money on...
- Some things about my family are...
- My major is (or may be)...
- Some things about my hometown/high school are...
- The way I feel about dating is...

### 2. Communicate.

Open and honest communication is key in building a positive and successful relationship. Take some time and talk to each other and let your roommate(s) know what is important to you. Talk about how you would like for all of you to communicate with each other and how you talk to others when there is a problem or conflict. Living together can be stressful and knowing how the other person operates means that you can resolve conflicts before they grow too large. Healthy relationships take work. Some issues you may wish to discuss include:

- The way I feel about loaning things is...
- The way I would like to decorate our apartment is...
- If something I do upsets you, you would...
- When I am unhappy or mad, I...

### 3. Be open and friendly.

Remember that all of you may be anxious and concerned about living with new people. Your roommate(s) may be experiencing the same issues and concerns that you are and may be under the same pressures. Talk to each other about what is important to you and things that may affect your relationship as roommates.

### 4. Define "neat."

Whether you're a neat freak or a slob, you have other people's feelings to consider. With a little give and take, you can each adjust accordingly and make your environment comfortable. You need to make sure that you all (1) agree to how you are going to keep the cottage, and (2) what you are going to do if one of you is not living up to your agreement.

## **5. Discuss visitation hours.**

Talk about when it's okay and when it's not okay to have visitors in the apartment. Also discuss how often you all plan to have people over. Do you want your apartment to be a social center or a refuge from the crowds? How about opposite gender guests? When are they allowed in the apartment? Do you think you might have overnight guests? What are the rules for them?

- I would like to avoid having guests over at these times...
- If I feel that a visitor(s) overstays his/her welcome, we would handle it by...
- The way I feel about your friends using my things is...
- The way I feel about having people in the apartment when I am trying to study is...

## **6. Find an activity you can share.**

There's nothing like having something in common to care and talk about. Do you both plan to go to the gym a lot? Maybe you can be workout partners. Perhaps you both enjoy a particular type of film, music, art, or hobby? Do you plan to join any clubs or student organizations? While you will not be spending all your time with your roommate(s), it doesn't mean you can't do some things together.

## **7. What about study times and habits?**

Talk about how you prepare for classes and tests. Do you study in the apartment or in another place like the library, a study room, the student center? If you plan on doing most of your work in your cottage, talk about scheduling times so that you all can have quiet time. Let your roommate(s) know when you have a big test or assignment coming up so that he or she can give you space and quiet time.

## **8. Give each other space.**

Togetherness is great, but too much of a good thing, sometimes that's not so great. You and your roommate(s) need time alone or with other friends. If that is not happening naturally, talk about it.

## **9. Are you okay with sharing?**

Just because you are sharing an apartment, doesn't mean you may want to share other. Talk about what you want to share and what you want of your own. Can you share clothes, CDs, appliances, food, etc.? Setting these boundaries early can avoid later conflicts.

## **10. Pet peeves & personal habits.**

What is a big pet peeve for you? What is something that really bothers you? How do you deal with conflict? Do you yell, get quiet, nurse a grudge? You have the chance to talk in advance before you establish a relationship with these people – USE IT!

- The way I feel about loaning things is...
- The way I react when I am stressed out is...
- When I'm depressed I...
- Something that cheers me up when I am down is...
- I usually let people know I am angry by...
- I become easily annoyed by...
