Notice of Move Out – Important Information

Dear Resident:

Based on our records, we show that you have decided <u>not</u> to renew your contract with us for next year. If this is incorrect, please let us know immediately. Otherwise, we hope that you have enjoyed your time with us and we wish you the best of luck!

In preparation for your move-out this year, and to make things as smooth as possible for everyone concerned, please familiarize yourself with the detailed information that follows as well as our MOVE OUT PROCEDURES. Due to the number of residents involved, we cannot deviate from these procedures.

Optional PRE-Move-out inspections will be performed on an "Appointment Only" basis when the resident has prepared their unit for move out as described in this packet. Please call or email the office at least 24 hours in advance to schedule your pre-move-out inspection. All Pre-move-out inspections must occur between **August 18th and August 28th.** Appointments will be available **during the week, on every half hour between 10:30am and 4:00pm**. Please note that availability for appointments will be extremely limited. Should you make an appointment, **you must be present** to meet a designated staff member at your unit at the time of your appointment. If more than one person in your unit would like to complete a pre-move-out inspection, please coordinate your schedules so that we can inspect all bedrooms at the same time. Please note that **this is not your final inspection.** The pre-move-out inspection is for your benefit, so that we can help you identify issues that you will want to address before your final inspection, which will occur on the last day of your lease.

- If you choose not to schedule an appointment for pre-move-out, please be sure to return your unit key, mailbox key, and parking pass to the office no later than 10:00 AM on August 31st, 2020 If you do not check-out by this deadline, you will be considered a "Holdover" and will be assessed charges and subject to legal action.
- 2. If you have not done so already, please request a **NOTICE TO VACATE** form by emailing info@solatwestvillage.com
- 3. The entire apartment will be inspected even if only one person is leaving. EVEN if you have not been staying in the apartment you need to coordinate with your roommates to ensure the common area is in appropriate condition or charges will be split between all departing and renewing residents. The entire apartment must be cleaned. The common area will be the responsibility of both the outgoing and renewing residents. Please see our CLEANING PROCEDURES for more information.
 - a. Charges assessed for cleaning or damages to the common areas (living/dining areas, kitchen, shared vanity and bath areas, laundry rooms and closets) will be divided equally among all apartment mates. Please review our ESTIMATED CHARGE LIST for details. Each resident will be held responsible for cleaning or damages in his or her bedroom.

(530) 759-0661 Info@solatwestvillage.com

- b. Should there be any animal damage in the common area, it will be billed back to the animal owner on file. If the animal is not registered with the office, those charges will be distributed evenly. We encourage you to verify that all animals in your unit are registered to ensure that charges are distributed appropriately.
- c. You will not be held accountable for any discrepancies (exceptions) that were noted on your move-in inspection unless these items were taken care of by management and occurred again after that time.
- 4. Any outstanding balances owed must be paid at the time of move-out. Pursuant to the lease agreement, any outstanding balance will cause that portion of the Security Deposit, if applicable, to be forfeited.
- 5. The INTENT TO VACATE form is the only way to provide a forwarding address that you would like your Financial Move-Out Statement to be sent to. This does not forward your personal mail; this is only for the purpose to send you your Financial Move Out Statement/Security Deposit.
 - a. Change of Address: Go to the Post office to fill out your change of address form or go online to www.usps.com: Forward Mail option: Change of Address. There is a \$1 charge to do this online, but your mail will be sent piece by piece to the new address.
 **Discontinue newspaper subscriptions and any cable accounts you may have.
 - b. Any balance due will be assessed on your Financial Move-Out Statement which you will receive via mail to the forwarding address provided.
- 6. If you are transferring to a different unit on property, you will be notified via email of your transfer dates. You will need to be prepared to transfer from your current unit to your new unit within a 24-hour period. Your current unit must be inspection-ready by the date assigned. Any damages assessed will be charged to your account and due upon receipt.
- 7. If you turn your keys into the leasing office before your lease end date, please be advised that this does not relinquish you from your lease agreement duties. You are still responsible for paying for utilities (if applicable), as well as fulfilling your lease agreement payments. Each roommate will also be responsible equally for any charges to the common area up until the end of the lease agreement. If you have not been in the unit for a period of time you need to contact your roommates and ensure the common area is in appropriate condition or charges will be split between all departing and renewing residents.

It has been a joy serving you! We hope to see you again soon.

Best regards,

Your Management Team

Below are the key things to remember during the move out process:

- Move out is August 31st 2020 by 10 AM. We will start accepting keys at 10 AM on this day.
- If you are still in the apartment after 10 AM, or if we have not received the items that need to be returned, you will be charged additionally for your stay past the contract end date and time.

The items that need to be returned are below:

- Make sure no trash is left inside and/or outside of your unit. Please use the designated trash bins provided around the property to discard of your bagged trash properly.

CLEANING PROCEDURES

Entry:

Wash inside and outside of front entry door.
 Thoroughly clean (sweep and mop) entry floor.

Kitchen:

A. Stove/Oven/Microwave:

□ Thoroughly clean exterior of oven. Don't forget the oven drawer!

□ Use oven cleaner to clean interior of oven. Easy-Off Fume Free is an easy, odorless product that works well for this. You may have to do some extra cleaning for stubborn spills. If so, please use a mild detergent, and/or a steel wool pad.

□ Remove oven drawer – clean drawer and sweep out from under the drawer. Be careful not to wipe the ash from the oven into your clean oven drawer.

□ Scour drip pans and rings with an S.O.S. pad and clean all food and spills from underneath the drip pans. (Do not use oven cleaner on the drip pans because it corrodes the surface and turns them black). New drip pans can be purchased for around \$10 if the stains cannot be removed.

□ Make sure broiler pan is completely clean and placed in the bottom of the stove drawer. Easy-Off Fume Free oven cleaner works well on the broiler pan using the "cold" directions on the back of the can.

□ Thoroughly clean outside, inside, above and below microwave.

□ Clean walls, cabinets and floor under and around the stove.

B. Dishwasher:

 $\hfill\square$ Clean inside, outside & around the edges – especially the door.

Living Room:

Mop/sweep hardwood floors
 wipe down celling fan
 Wipe down walls

□ Remove any items or food from beneath bottom the drawer.

C. Refrigerator

□ Wash all inside and outside surfaces.

□ Don't forget the crisper drawer (inside and underneath).

□ Remove all items from the Refrigerator and Freezer area

□ Clean all drawers, compartments and shelves.

D. Cabinets and Countertops:

Interior of cabinets should be free of shelf
 lining, crumbs and dust. Don't forget the drawers.
 Exteriors of all cabinets should be wiped down

to remove water spots and food drips or spills.

□ Wipe off all countertops.

□ Clean the tops of the cabinets.

E. Kitchen Floor:

Sweep the floor to remove all dirt and debris.
 Mop the floors with a disinfecting cleaner.

F. Kitchen Sink:

□ Kitchen sink should be scrubbed and free of spots and stains.

□ Make sure that the kitchen faucet is clean – pay special attention to the area around the faucet knobs

(530) 759-0661 Info@solatwestvillage.com

Washer/Dryer:

□ Washer should be clean inside and out. The exterior should be wiped down and the control turned to the "off" position.

□ Dryer should be clean inside and out. Please remove all debris/lint from the lint trap. The exterior should be wiped down and the control turned to the "off" position.

□ Clean floor area around and under both appliances

Bedroom:

Carpet should be vacuumed and steam cleaned, free of any dirt or stains.
 Fan should be dusted and cleaned.
 Walls should be free from any bed rub/grease spot from absence of a headboard or any tacks, nails, sticky tape, etc. Damage from these items could result in additional charges.
 Dust all baseboards.

Bathroom:

□ Wash inside and outside of vanity. Wipe or scrub all drawers, cabinets and countertops. No drawer liner should remain.

□ Clean the mirror with Windex or similar product.

 Clean vanity sink, including the faucet.
 Sometimes a toothbrush must be used around the knobs to get them completely clean.
 Thoroughly clean inside, outside and around the toilet – including the bowl and handle – with a disinfecting product like Lysol Toilet Bowl Cleaner.

□ Scour the bottom and sides of the tub with Softscrub until all dirt and soap residue is gone.

Walls:

All walls free of marks, stains and damage.

Windows:

□ Wash interiors of all windows with Windex or similar product.

Wipe down the top and tracks of all windows.
 Wipe down all windowsills.

General Items:

□ All blinds must be completely clean.

□ Clean all doors on both sides – including closets.

□ Wash all closet and pantry shelves.

□ Thoroughly vacuum all carpeting.

□ Wash all light fixtures to remove dust and bugs.

□ Clean all fingerprints/grime from walls, doors and light switches.

□ Remove small nails from the wall.

You are responsible for the cleaning and any damages to the carpet from stains or soils. If you had an unauthorized pet in your apartment at any time during your lease term, you will be held responsible for any damages caused by your pet, which may include the cost of replacement of carpet, pad, tack strip and labor.
 DO NOT LEAVE ANY OF YOUR BELONGINGS OR TRASH IN OR AROUND THE UNIT. Removal by our staff will result in a charge of \$25.00 per bag (larger fees will be incurred for large personal items/furniture that is left).
